

## NEWS RELEASE

### Pace Global Receives Executive Education Award

**Fairfax, VA -- June 10, 2010...**The University of Notre Dame's Executive Education Department of the Mendoza College of Business announced that Pace Global is the recipient of the **2010 Outstanding Leadership in Executive Education Award**. This award is given to organizations that demonstrate exemplary corporate leadership in executive education, have a progressive mindset, and show a commitment to values-based leadership.

"Pace Global has been an invaluable partner in Executive Education at Notre Dame and a strong proponent of meaningful development of its executives" said Sharon Keane, Director of Executive Education. "Our partnership is hallmarked by innovation and mutual learning."

"We are very proud to have received this prestigious award from the Mendoza College of Business" said Timothy F. Sutherland, Chairman and CEO of Pace Global. "Over the past five years, Pace Global has enrolled over twenty seven (27) of our Executives in Notre Dame's Leadership Acceleration Program (LEAP). Without question, the learning experience from this program has provided our executives invaluable and lasting leadership development skills. LEAP uniquely enables our executives to become better connected with themselves, their colleagues, and with our clients thereby creating a sense of integrated team and purpose. No single personnel development program has served us better as a firm or been appreciated more by our employees."

Mr. Bob Vessey and Mr. Kyle Smith, Pace Global's first enrollees into the LEAP program and senior officers at the company, accepted the award along with Mr. Sutherland.

Previous recipients of awards from Notre Dame's Executive Education Department include: AK Steel, OfficeMax, Bayer Corporation, General Electric, Hoffman and York, Whirlpool, Naval Surface Warfare Center, Motorola, 1st Source Bank, and Owens-Illinois.

#### About Pace Global

For over 30 years, Pace Global has pioneered energy and carbon management services that provide strategic direction to industrial, manufacturing, large commercial companies as well as public and institutional entities. Its innovative services support the execution of business strategies, complex energy transactions, asset development and operations in over 40 countries on six continents. Headquartered outside Washington, D.C., Pace Global represents clients in all segments of the energy value chain from exploration, production and generation through transportation and distribution down to end use consumption.
